

Weekly Staff Update
May 7 - May 13, 2017

Significant Reports & Impacts

- No significant impacts to report.

Major Projects & Priorities

- *Wastewater Treatment Plant Upgrade.* The builder and staff continue to work on moving the project to final completion by June 9th.
- *Public Works Facility.* With the temporary certificate of occupancy in hand, public works continues to move equipment and materials out to the site. The contractor continues punch list work along with finalizing grade and site work.
- *Downtown Streetscape Enhancement.* Public Works crew continue work at night to replace the water laterals in the project area. VDOT continues to review the completed design plans.
- *Community Development Block Grant.* Please fill out the [stakeholder branding survey](#) at your convenience and share the [resident survey](#) with your friends and neighbors. The surveys will close on May 31.
- *Northern Shenandoah Business Park.* No update.
- *Strasburg Gateway Trail Project.* VDOT representative gave a tentative statement regarding the review timeline, that indicated we should have our plans returned within 2 weeks.
- *Downtown Revitalization and Tourism.* Construction has begun on the dog park. The movie “Trolls” will be shown at Town Park on Friday, June 16.
