

**Weekly Staff Update**  
August 20- August 26, 2017

**Major Projects & Priorities**

- *Wastewater Treatment Plant Upgrade.*
- *Public Works Facility.*
- *Downtown Streetscape Enhancement.*
- *Street Paving. .*
- *CDBG Construction Improvements.* Staff will be presenting a rough redesigned layout for the event space on September 5th, and requesting the money from the 218 East King Street sale be allocated to the CDBG project. LPDA continues to push towards a 100% design and bid documents.
- *CDBG Branding and Wayfinding.* Nothing new to report.
- *Strasburg Gateway Trail Project.* Staff is working with VDOT and Line and Grade to push towards getting this project out for bid.
- *CDBG Facade Improvements.* Staff held the pre-bid conference for interested contractors for round #3 of the facade improvements.
- *Downtown Revitalization and Tourism.* RevUp Marketing is set to begin on Sept. 6. Please encourage existing businesses to sign up, learn about the many forms of marketing and possibly win money to put a top notch plan into place. | A professional photographer will be taking photos throughout town, during all seasons and events to use for marketing purposes. Local businesses are encouraged to contact Michelle to have photos we can use taken of their business and in exchange they can have lovely, professional photographs for their marketing purposes as well. | Staff is continuing discussions with interested parties regarding staff support for a biennial art show and a film festival (2018). |
- *Economic Development.* Proprietary interests continue to arise and move forward throughout various areas of Strasburg.
