# BUSINESS AS USUAL

*Lightning Round!*

What is the name of your business?

- *The Historical Homemaker Bakery & Cafe*

How long have you been in business?

- *Opened on Sept. 1, 2017!*

Tell us about your ideal customer.

- *Two ideal clients would be the residents of Strasburg and/or the tourists who would like to partake in breakfast, lunch and sweet treats.*

Tell us something unique or special about your business.

- *We offer traditional baked goods and breakfast, lunch items made on site at the store. Some of the items will be a weekly featured recipe of a historic nature (we've made Mary Todd Lincoln's cake, Mamie Eisenhower's fudge) The decor in the bakery reflects our love of American history.*

What is your favorite thing about Strasburg?

- *I love the small town appeal and the people have been so welcoming. It's a town that seems to remain untouched by modern times and has traditional American values.*

Where is your favorite place to eat out and why?

- *We love Mexican food. Really enjoy Jalisco's.*

Tell us a funny story about your business.

- *Many days you will find my dad washing dishes in the kitchen and my husband making sandwiches while I'm operating at the front (and the back...and everywhere!). Friends have been such a blessing to us when they come in and "put on an apron" when we need help. We have had a great time together and it's such a wonderful family and friends team effort of love (and fun!)*

If someone wants more information, how can they contact your business?

- *540 686 6883, thehistoricalhomemaker@gmail.com or www.thehistoricalhomemaker.com*

Each month we're going to ask a business to answer the following questions. This month we are featuring BlueScreen Computer Services

## BEAR SIGHTINGS

Periodically, the town receives phone calls about bears being seen in neighborhoods. Here are a few tips from the Virginia Department of Game and Inland Fisheries that might help to keep the bear population away from your back yard. Remember, it is up to you to change your behavior to avoid having a bear visit.

- Bird feeders, garbage, beehives, and pet food are the most common food attractants. Don't allow the bear to become comfortable on your property!
  - Secure garbage cans in a shed or garage.
  - Don't store food, freezers, refrigerators, or trash on porches.
  - Feed only what your pet will eat in a single feeding or feed inside; remove uneaten food.
  - Do not put meat scraps in the compost pile.
- Use harassment techniques along with removing items that attract bears.
- Talk to your neighbors and ask that they discourage bears by removing the attractants.
- If you see a bear on your property, respect the bear's space and stay away. If it is in a tree, leave it alone and keep your pets away so it will leave on its own.

Never deliberately feed a bear; **this is illegal!** We all need to work together to keep bears wild. For more information, contact the Wildlife Conflict Helpline at (855) 571-9003 or visit: [www.dgif.virginia.gov/wildlife/bear/](http://www.dgif.virginia.gov/wildlife/bear/)
