BUSINESS AS USUAL

Siblings' Rivalry Brewery
With Kyle Stonecker 

How long have you been in business?
~Our First Birthday was April 27th!!

Tell us about your ideal customer.
~People who have a love or desire to try craft beer, bring some friends in with them, and are looking for that community atmosphere!

Tell us something unique or special:
~We pride ourselves on being one of the best kept secrets in Strasburg. We still often welcome locals and visitors as first-timers.

What is your favorite thing about Strasburg?
~I love the energy of this town! We have business owners, locals, and Town reps who are determined to make Strasburg the best small town that we can be.

What is a funny or memorable story?
~Shortly after we opened, I was running around short on sleep, with my mind going a mile a minute.. I almost step in front of a truck on King St! Later that day I get a call from Tom, from Box Office Brewery, asking if it was me he almost hit with his truck! We both laughed at the almost-front-page headline "Brewery Competition Getting Heated in Strasburg As One Owner Takes Out His Competitor!".
