DID YOU KNOW.....

Massachusetts Water Resources Authority

Cloudy water, also known as white water, is caused by air bubbles in the water, and is completely harmless. Cold water holds more air than warm water. In the winter, water travels from above ground storage tanks which are very cold and warms up during its travel to your tap. Some of the air that is present is no longer soluble, and comes out of solution.

The water will often appears solid white and then over a few seconds to a minute, it clears up as seen above. There is little that can be done to resolve the issue. This will also occur when there is a change in barometric pressure and fast changes in outside temperatures.

DO YOU KNOW? TAX TIDBIT

The Town of Strasburg participates in the Debt Set-off Program with the State of Virginia. If your account has a past due balance on December 31, 2019 you will be included in our file to the Department of Taxation in January 2020 for collections. Failure to pay your past due taxes may result in a delay in any Virginia state income tax refunds and additional collection fees.

LETTERS FROM SANTA

Letters, letters, and more letters. Santa received and mailed back a “bumper crop” of letters this holiday season! Grandparents, aunts, uncles, and friends asked for letters to be sent to special children around the United States.

A special **THANK YOU** goes out to the FCCLA students at Strasburg High School who helped make

this project possible by being “Santa’s Elves”. The town would not be able to send letters without the help of these elves. Thanks so much!

CHRISTMAS TREE PICK-UP

Christmas Tree Pick-up will be January 2nd through 10th, 2020, weather permitting. All trees should be placed at the curb, free of ornaments by 8 a.m. Please note, if it is snowing, pick-up may be delayed.
