DID YOU KNOW.....Requirements for being a business owner in town do not stop when you obtain your Business License!

Business Licenses need to be renewed annually by March 1. Additionally, if you have any signs (building mounted, window signage, free-standing, sandwich boards, etc.), plan to expand, or wish to start a home business, you will need a permit. Regulations are outlined in the Town of Strasburg's Unified Development Ordinance. Email Lee Pambid, the Town's Planning and Zoning Administrator, (lpambid@strasburgva.com) if you have any questions or to find out if you are in compliance with your zoning.

Also, if you are planning to open a restaurant or other food establishment, be sure to contact Tax Clerk Emily Ritenour to find out all the ins and outs of meals tax --- how much must be collected, when the tax is due to the Town, what can happen if the tax is not turned into the Town, etc. Emily can be reached at the Town Hall, by calling 540-465-9197, or emailing: eritenour@strasburgva.com. Town staff wants you to succeed in your business and we are all here to help with that success.

DO YOU KNOW? TAX TIDBIT

Did you know that any outstanding balance due on Real Estate or Personal Property taxes has been turned into the Virginia Department of Taxation for collection? The Debt Set-off Program matches any outstanding bills the taxpayer may have with any available refunds. To prevent any delay in receiving your state refund, please be sure your taxes are paid.
