SOME REMINDERS FROM THE PLANNING & ZONING DEPARTMENT

It's that time of year again! April showers bring May flowers, **AND tall grass!** The maximum grass height is eight (8) inches. Also, please remember that you may not put your trash cart out before noon on the day before your trash pick-up. All refuse needs to be inside an approved cart issued by Waste Management. Waste Management does not pick up large or stray items or plastic bags. Keep your trash carts secured on your property at all other times. Please remember to keep your properties maintained and help keep Strasburg beautiful.

If you are an HOA, neighborhood, or citizen group and would like the Town Planner to speak at your next meeting, please feel free to contact Lee Pambid at the Town Office (540-465-9197 or lpambid@strasburgva.com).
