DID YOU KNOW

Waste Management, our trash collection company, uses a truck with an “arm” to collect trash left out for collection. Because of this, cans need to be easily accessible. Please, do not place cans behind parked cars or any other obstacle along the street. This is also true of placing cans on the other side of plowed snow. The arm is not able to reach those cans. Be sure the can is on the street side of the snow. Lids need to be closed on the carts. Below is a diagram to help with placement of carts.

Did You Know? Tax Tidbit

If you owned your vehicle on January 1, 2021, this is the vehicle you will pay tax on for the entire tax year of 2021. If you are a new resident and were not here on January 1, 2021, you will need to pay your prior jurisdiction for the entire year of 2021.
