**A FEW REMINDERS**

Springtime is upon us and all are gearing up for warmer weather. Please, take into account these few reminders:

- Clean-up after your dog when walking your pet along town streets or in the Town Park and Dog Park.
- Wear reflective clothing when out walking, especially in neighborhoods with fewer streetlights, to ensure driver's see you.
- Be considerate of your neighbors as you are out and about in the evenings and keep your voices and music turned down.
- Remember it is the property owner's responsibility to mow and maintain their lawn and the height of the grass should not exceed eight (8) inches.
- If you are filling a swimming pool, remember the Town does not offer discounts on utility bills when filling pools. Your utility bill will reflect the amount of water used in filling the pool and sewer usage is based on the amount of water used, so you will see an increase in your utility bill. This is also true when watering landscaping.
