## TALL GRASS

A great way to get exercise is by mowing lawns. Let's keep our town beautiful by keeping the following in mind:

- It is the property owner's responsibility to mow and maintain their lawn and the height of grass should not exceed eight (8) inches.
- Properties whose grass exceeds eight (8) inches will receive only **ONE NOTICE** of violation for the entire year before the Town cuts your grass and sends you a bill.
- Lawn maintenance is very beneficial! Mowing height and frequency will determine how healthy and attractive your lawn looks.
- Violations can be reported to the Planning & Zoning Department at 540-465-9197.

Also, please remember to keep grass clippings out of the street. Storm drains can become blocked due to grass clippings being left in the street, causing serious flooding issues. Additionally, by leaving blown grass clippings in the street, it can cause serious injury to motorcyclists and bicyclists. If you do not voluntarily comply in removing grass clippings from the street, the Town will require you to do so.
