Official Newsletter of the Town of Strasburg, Virginia

September 2022

The Strasburg Signal is published monthly by Town Staff to inform citizens about Town programs, services, and events. Your feedback is welcome. For suggestions, please contact the Town Office at 174 East King Street, PO Box 351, Strasburg, VA 22657, call (540) 465-9197, or email info@strasburgva.com.

DID YOU KNOW.....

Trash left at the curb **MUST** be inside the trash cart with the lid opening facing the street. Bags left beside the cart will not be picked up, and trash overflowing the cart could cause all of your trash not to be collected. The trash company uses an automated arm so if the lid is not down on the cart, emptying the container is difficult and could prevent trash from being collected. You must also ensure there is 3 feet of clearance around your cart. If you routinely have more trash than your cart will hold, please contact the Town Office (540-465-9197) and request an additional cart; the cost is \$1.02 per month. You can also take excess trash to any Shenandoah County Convenience Site; the closest to Strasburg is located at 321 Powhatan Road.

Please, no trash beside cart.

Overflowing cart might not be picked up.

TAX TIDBIT

Just a reminder --- if you have not paid your Personal Property taxes, DMV stops will be added to accounts with outstanding balances on September 12, 2022. Please, be aware if your account has a prior year balance, a DMV stop may already be in place. There is an additional fee of \$45.00 and you will be unable to renew your vehicle registration until the balance is paid in full. If you have additional questions about taxes, you can email taxinfo@strasburgva.com. Please allow 24-48 hours for a response.

2022 Second half taxes will be due on Dec. 5.

GET INVOLVED IN A NON-PROFIT ORGANIZATION

COMCAST WORK CONTINUES

As reported in last month's newsletter, Comcast has begun work in Strasburg that will result in the construction and operation of a cable system. Work is being confined to the right-of-ways and easements as much as possible and areas disturbed will be fixed/repared when work is complete. **If you have any questions or concerns regarding the undergrounding of Comcast cable in your neighborhood, please contact the Town of Strasburg at 540-465-9197.**

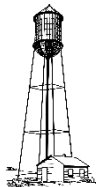

TOWN COUNCIL PUBLIC HEARING NOTICE

The Strasburg Town Council will hold a public hearing on **Tuesday, September 6, 2022**, at Town Hall (174 E. King St., Strasburg, VA 22657) to receive public comment on a Special Use Permit application to permit a short-term rental use within an existing building. The property is located at the intersection of Front Royal Road and Jackson Street.

For additional information, call 540-465-9197.

JUST A REMINDER

The Fort Hill water tank, located at 326 Banks Fort Road will be painted soon. Because the old paint needs to be removed and it contains lead, the tank will be completely enclosed, and an air filtration system will be used to safeguard area residents. Once the new paint is applied (same color as it currently is painted), the cell antennas will be remounted, and the tank placed back in service. The project should be complete around October of this year.
