Zoning Permit Process

Process and Supplementary Information:

Only fully complete applications will be accepted and reviewed by the Zoning Administrator. Criteria for application completeness varies by the type of request. Therefore, below is an unofficial guide. For full details and official information please refer to the Unified Development Ordinance (UDO) available at the Town Office or website, or call the Town Office and as to speak with the Zoning Administrator.

*** Once all improvements have been completed a Certificate of Occupancy must be obtained from Shenandoah County for new Commercial, Industrial and Residential facilities **prior** to the commencement of business or occupancy of the home.*

Right to Appeal:

Unified Development Ordinance (UDO) Chapter 1 Section 19.4 A: An appeal to the Board [of Zoning Appeals] may be taken by any person aggrieved or by any officer, department, Board or bureau of the Town affected by any decision of the Zoning Administrator or from any order, requirement, decision or determination made by any other administrative officer in the administration or enforcement of Code of Virginia, § 15.2-2280 et seq. or this UDO. The recipient has the right to appeal the notice of a zoning violation or a written order within 30 days in accordance with this section, and that decision shall be final and un-appealable if not appealed within 30 days. The appeal period shall not commence until a written determination is made. The appeal shall be taken within 30 days after the decision appealed from by filing with the Zoning Administrator, and with the Board, a notice of appeal specifying the ground thereof.

Zoning Permit Plot Plan

Street Name

Plot Plan

Please use a straight edge or ruler to draw as accurately as possible any:

- Existing Structures
- Proposed Structures (fences, sheds, driveways, pools, additions, etc.)
- Distances in feet from structures to property lines on all sides of the property
- Names of all Streets that you are adjacent to

The Plot Plan does not have to be to scale. New Residential requires a scaled professional plot plan, and any Commercial construction or addition require a Site Plan prepared by a licensed surveyor or engineer.
