

# TOWN OF STRASBURG UNIFIED DEVELOPMENT ORDINANCE UPDATE

The Unified Development Ordinance defines how land is used, developed, and divided. The Ordinance plays a critical role in what your neighborhood looks like, where businesses locate, and how natural and historic resources are protected. **Public input** helps ensure the Ordinance revisions address resident concerns and expectations.

*The Town of Strasburg is in the process of updating the Unified Development Ordinance and would like to hear from residents about how to improve it. This is your opportunity to share your input and ideas on the future growth and development in your community.*
